CAMPO
A CREATIVE INSTITUTE

CAF 8

December 28 - 30 | 2024

CAMPO is a unique nonprofit creative institute based in a tiny village in Uruguay's countryside, with a mission to support artists as changemakers. By providing transformative experiences in a serene natural setting, CAMPO encourages artists and visitors to disconnect from daily life and reconnect with themselves and each other. Every December, CAMPO hosts the CAMPO ART FEST, turning Pueblo Garzon into a vibrant hub of creativity. This three-day festival features site-specific art installations, theater performances, live music, and more, all created by local and international artists. This year, for the first time ever, CAF 8 introduces a VIP Lounge, offering an exclusive and elevated experience for festival-goers. From Dec 28-30, the VIP Lounge will be located inside the CAF 8 Café, providing a private, stylish space to relax and connect. As a VIP guest, you'll enjoy special perks such as a guided VIP tour of CAF 8, a wine tasting by Bodega Garzón and much more. Additionally, the VIP Cocktail Fiesta, kicking off the first night of the 3-day festival at CAF 8 Cafe, raises money to support the foundation. This magical evening celebrates the artists of CAF 8, and the powerful connections forged through the arts.
