## Special Events

Join La Susana's Midsummer Solstice party to celebrate the longest day of the year. Inspired by Swedish traditions, this event promises an enchanting evening starting at sunset through dinner and dancing, where nature and festivity unite. Dance around a flower-adorned Maypole by the beach bar, connect with the sun's energy, and wear beautifully crafted flower wreaths. Enjoy a smorgasbord feast featuring Swedish classics and Uruguayan specialties, and sip Christiania vodka as the sun sets, the moon rises and through the evening.
